Ref APP/15/01243

Dear Mrs D Haywood,

I wish to object to the proposed development of 2 semi detached houses to be constructed on the site of Former Scout Hut 4 Meyrick Road.

Having 2 houses built on this site is out of scale and character with the existing buildings that are situated on the western side of Meyrick Road. There are only 2 other buildings on this side of the road, a bungalow on one side of this site and the Electricity sub station on the other.

Both of which are single-storey so to then have 2 x two-storey houses built in between these existing buildings would look over bearing and completely out of place.

The proposed development of 2 houses, driveways and garages is, in our opinion, an overdevelopment of this site.

We feel that the former scout hut has been an asset to the local community for many years, however we also understand that it is now time for this building to be either renovated or redeveloped but we hope with integrity and without detriment to the rest of Meyrick Road.

2 bungalows, we feel, would be far more in keeping with the existing buildings and this would not be out of scale within its vicinity.

I would grateful if our concerns were taken in to account before a decision is made.

Yours sincerely
Mr and Mrs A Aylmore
