Dear Miss Donophy,

In respect
of planning at No 2 Ashwood Close
Havant PO93QT.

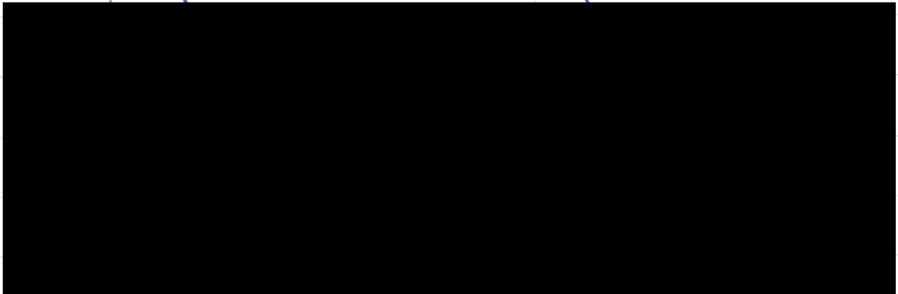

We have no problems with
front Dormer Windows.

But not the
same with rear Dormer Windows,
and roof Extension over garage.

The fact that

3 Dormer windows will totally invade
all privacy we have in our rear garden
and living accommodation. Roof Extension
will curtail a huge amount of light and
clear vista that we are lucky to have.

Yours Sincerely .
