Hello - I would like to confirm with you please that your new beach re-nourishment scheme will not be making the current level of shingle any higher than it currently is for the Eastern end of Southwood Road for New Marine Flats Management Ltd. 2 blocks of flats, eight in all at 218 -224 Southwood Road. PO11 9QQ
If the height is increased it will further destroy the sea views with a considerable loss of amenity.

Thank you

Anthony Adams
