23/9 2018

DEAR SIR/MADAM

WE AT 101 KINGS ROAD
HAVE GRAVE CONCERNS REGARDING THE WORK
TO BE CARRIED OUT AT 99 KING RD NEXT DOOR
THERE IS A BUILDING STRADLING BOTH PROPERTIES
THEY WOULD NEED TO CUT THROUGH THE ROOF OF SAID
BUILDING AND DEMOLISH THERE HALF LEAVING
OUR HALF COMPROMISED ALSO THE MAIN SURGE DRAIN
RUNS ALONG THE BACK OF OUR PROPERTIES LESS THAN
TWO METERS OUT EACH PROPERTY HAS AN INSPECTION -
COVER IF THEY MOVE IT QUICKLY IT WOULD COMPROMISE
OURS THEY WOULD I IMAGINE ~~WOULD~~ HAVE TO HAVE
A BEND SOMEWARE AND THAT WOULD COUSE US
~~AT SO MANY~~ SOME SERIOUS PROBLEMS IN THE FUTURE
AS WELL AS THE ONLY ACCESS WOULD BE THROUGH
A PASSAGE BETWEEN THE TWO PROPERTIES MY WIFE
[REDACTED] NEEDS ACCESS THROUGH
THE PASSAGE DAILY [REDACTED]
[REDACTED] AT 99 IT WOULD BE FULL OF BUILDING
MATERIAL

YOURS REGARDING 101
