Dear Ms Price

We wish to express our serious concerns regarding the proposed development to 27 Alten Road, Waterlooville.

We have seen the plans which have been published online and we believe such a large second storey extension is not in keeping with the other properties in the area, and being already so very close to the boundaries of the neighbouring gardens along Silverdale Drive it would severely impact the privacy and light currently enjoyed.

We do not feel that the proposed plans, in their current state, are considerate or sensitive to the neighbourhood.

Kind regards
