

HAVANT BOROUGH
COUNCIL

RECEIVED

Ref. APP/18/00672

Dear Mrs Haywood.

Reference to proposed development
of Westwood Close.

This is a ridiculous site to
develop. They must be desperate.

It will destroy habitat, a very
pleasant area where people enjoy
walking and have a massive detrimental
on people's privacy and cause a National
footpath (Sussex Border Path) to be relocated
into a flood plain area which frequently
becomes impassable in winter, amongst
other negative effects that have no
doubt been noted by other protestors.

Furthermore, looking at the revised
plan, whilst residents' access to the
area have been marked, ~~by~~ my access
is not evident on the plan.

Yours faithfully
