Dear Sirs,

2 ST. MARY'S RD HAYLING ISLAND

I am writing in support of the application for conversion of the premises at 2 St. Mary's Road into a winebar with an external gazebo.

This Type A development is exactly what we need in the West Town area. A small dignified establishment where mature adults can socialise in a relaxed environment, I am sure that the new residents to the area will be appreciative of this addition to the amenities.

The applicant previously operated Ralphs in Mengham. There was no trouble with rowdy customers (because there were none) and no loud music to disturb the neighbours. I am convinced that the new establishment will be run on the same lines and I look forward to enjoying a glass of wine there.

Yours faithfully,
