Subject: bodyworx 360, 21 park parade, leigh park,

hi mark, we are looking at putting up a large metal sign with our logo on, on the rear left side of the property approx half way up, it will be attached to the building with unistrut channels, which will be fixed with anchors, the actual sign will then be bolted to the unistrut rails, when all removed will only leave a few drill marks, just want to make sure you happy with this as i have to put in for planning consent ,
best regards tony davis @ bodyworx 360
