6. Condition(s) - Removal

The Original Application was made under 11 Warblington Road. Our clients had purchased this off of the applicant, and there has been a title split producing the new address of 9a Warblington Road. Because of this, our clients would like to make some changes to the approved plans, in order to make this their 'Forever' home.

Please see below some comments from our clients.

- * - We are a couple looking to develop this house as our final stay / forever / life home, hence shifting the 3rd bedroom to the ground floor and incorporating shower / wet room / WC area which will allow for any future healthcare needs; ie Wheelchair or assistance.
 - We have waited some time to find the correct location in Emsworth to enable a continued life quality with local shops and services nearby in the event that mobility is reduced. ie no longer able to drive, therefore using local bus services and walking etc.
 - The intention is to utilise minimum maintenance / maintenance free materials to construct the property.
 - The intention is to utilise local trades to build providing service to the local economy
 - Using local trades should also minimise the carbon footprint of travel to the project build.
- We are very reliant on getting the downstairs bedroom and hope that any of the above may assist in the application revision.*
