Re your Planning Application.

APP/20/01109

Creating a new access road
to improve the yard, and the
demolition of existing Buildings

Dear Mr Evans

My husband and
myself, object to the above
application.

It will cause more
traffic problems, in a
busy road. Also it

(2)

would make it more difficult
for parking and getting out
of our driveway.

Also it will cause alot
more traffic in this busy road,
with big lorries going in and
out and vans and cars, etc

Hope you will agree
with me, and my husband
[redacted] and stop this
application going through.

Yours faithfully

[redacted]
