For the attention of Mr J Gargett

Dear Sir

PLANNING APPLICATION NO APP/16/00989

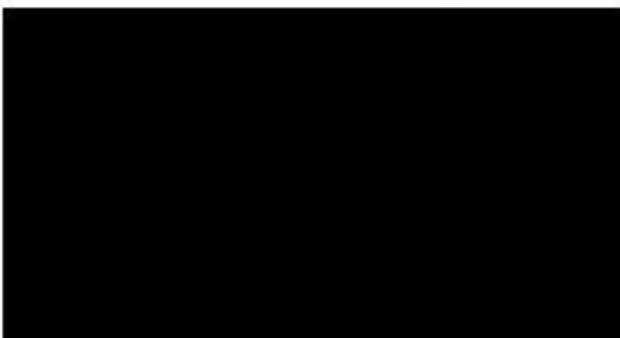

Reduction and felling of trees located at the out buildings adjacent to 97
Lovedean Lane, Waterlooville, PO8 9RN.

I write in connection with the above application. I know the site well, as I live
next to it, and wish to offer my full support to the proposal.

The trees, in my opinion, are far too large to be anywhere near houses. They
cut out a lot of light and sun, especially in the evening to both my property and
to 97B.

Also, I understand that an inspection has shown the ash to be in somewhat
poor condition, which could be dangerous.

Yours sincerely

P D WEBB
