Dear Josephine,

Condition 8 of APP/22/00837 – Land at The Cowplain School, Hart Plain Avenue, Waterlooville

Please find enclosed a signed final version of the Community Use Agreement (CUA) in relation to condition 8 of application APP/22/00837.

The CUA is signed by the school and is now submitted for the LPA to complete the agreement as per condition 8 of the approved application. The document is not dated as it has been assumed this would be entered on completion of the agreement by the Council.

I would be grateful if you could please acknowledge receipt of the CUA via email. I trust this addresses the details required for condition 8 to now be approved.

If there are any queries regarding this please do not hesitate to contact me on details below.

Yours sincerely
