Dear Mr. Weaver

Ref: Planning Application APP/16/00021
land adjacent to Holly Bank Cottage

I would like to object to planning permission being given to proposed change of use of the above land. I have to walk down Long Copse Lane to go to my nearest shops. The road floods & there are no pavements to walk on & is already difficult to avoid cars etc without anymore traffic. In my view it is not at all a suitable site & would spoil such a lovely rural lane.

Yours Sincerely

MRS. CHERYL TOOMER
