October 1st 2018

Dear Sir/Madam,

With reference to your recent letter regarding the proposal to fell and grind out the stumps of the two Lombardy poplars within G1 of TPO 2034; I am writing to express relief that such large trees, which thrash alarmingly in high winds and deposit detritus everywhere, indicating that there must be a lot of dead material present, would be replaced by something more suitable to the location.

Yours faithfully,

A solid black rectangular box used to redact the signature of Miss P. A. Wickham.
