For the attention of Ms D Sheath

Dear Ms Sheath,

APP/22/00449 - 31 Cavendish Drive, Waterloo, PO7 7PJ

I wish to register my objections to the proposed planning proposal for the two storey front extension on my neighbouring property.

My objections are as follows:

1 - The front extension over the existing garage, which itself is being extended forward, will create a large two storey wall on its north elevation. This will present an eyesore to me as I leave or return to the front of my house and will reduce both the light levels and open aspect from my property.

2 - The front extension will extend forward past the existing building lines for the frontages of properties in the street. This may set a precedent to encourage other home-owners to extend their properties forward and possibly infringe on previous planning requirements.

Kindly advise me of your response to my objections and the outcome of the Planning Application in due course.

Yours sincerely,
