Dear Lewis Oliver,

I would like to pledge my support re: proposed Lidl food store, Manor Road, Hayling Island. application no (APP/17/00656)

This store will be very beneficial to the Island, as it will ease the road congestion getting on and off the Island.

Many local residents travel off the Island to shop in the larger food stores in Havant.

Having a larger store here on the Island will lessen this traffic. Also it will help with the traffic hold ups in Havant and at the Langstone roundabout. There will be less accidents, less stress and can only be an advantage to the residents of Hayling.

Yours Sincerely

JUNE BRADLEY
