

11/3/2020

Dear Mr Oliver,

I wish to object to the planning permission for 2 Static Caravans,

I have lived quite happily with the touring caravan behind me for 52 years, but do not wish for Static Caravans.

There has always been an old Caravan over there for making tea at the Stable and somewhere dry to sit in and of course a toilet for touring Caravan but I don't wish it to become a permanent Static site

Yours faithfully
