3. Description of Proposed Works

Please describe the proposed works:

To facilitate the application to Hampshire County Council under "Section 171 vehicle accesses less than 10 metres in width, installation of private apparatus due to be adopted. Any other Highway works involving excavation", and considering the requirement in that process which says "Roads listed A, B or C are classified roads. If access is taken from a classified road you will need planning permission before we are able to approve a crossing. We recommend you contact your local planning authority to discuss further. Please note the local planning authority may make a charge for information.", we are hereby requesting the said planning permission for 77 Parkhouse Farm Way. No 79 and No 75 both have direct access to park in front and up to their properties, having removed the grass verge, dropped the kerb and installed driveways in front of their houses. We wish to do the same.

The house is jointly owned between My sister Jane Lilley, my sister Anne Baldwin-Colmer and myself. My sister Jane is resident and is registered as disabled. Her social support and carers (including family) have had terrible problems over the years and especially recently, with even slashed tyres, trying to park outside. We are trying to find a solution to protect access and this is part of it. The grass verge becomes a swamp and people double park on it. Carers need access at all time and especially in the mornings when they visit.
