

FYI.

2-1-21

Mr Hywood

Many years ago I saw a canoeist on this lake, but here is a more recent photo. Lets hope that the Havant Borough Council will be able to deal with the fallout of houses being built on this site, what with rising sea levels and tidal squeeze.

Who will Dig the Ditch when the houses are built ?

11 February 2018 11.15am

Looking south towards Sinah Lane
