For the Attention of Mr. D. Eaves, Case Officer.

Dear Sirs,

Re: 128-130 Seafrost, Hayling Island, PO11 9HW.

In response to your letter dated 20th. April 2017, we would make the following comments regarding this 3rd. attempt of the owners of the above to carry out extension works to form 2no. maisonettes over the existing flats:-

- 1) We are concerned that should the works proceed, air pollution will result from builder's works. We both suffer from severe respiratory conditions, as indeed does our neighbour in No.1 The Sanderlings.
- 2) The completed building would block out a significant amount of daylight, particularly in the afternoons & evenings, thereby making it dark much earlier than at present.
- 3) We are still concerned about the drainage. This passes through our garden and that of No.1 The Sanderlings, and already takes waste water etc. from both 128-130 and Diltuscha Court.
- 4) We are concerned that we will be overlooked & lose privacy as a result.

We trust that the foregoing will receive your considerations whilst reaching your decision,

Yours Faithfully,

HAVANT BOROUGH
COUNCIL
