Dear Sir

COMMENTS ON THE CONVERSION OF EXISTING GARAGE 17a ROGERS MEAD,
HAYLING ISLAND, PO11 0PN TO PROVIDE STORAGE AND DOMESTIC ANNEXE

When the above garage was built the following restrictions were applied:

'The garage hereby permitted shall only be used for garaging and storage purposes in conjunction with the use of the dwelling as a domestic residence and shall not be used for any business or commercial purposes whatsoever or as residential accommodation'. As I have not been notified of any lifting of the above restrictions I can only assume that they still stand.

I think I remember that the above garage was built too close [REDACTED] for it to be used for accommodation, I cannot be sure of this point as it was a long time ago.

If permission should be granted then Noise could be a problem [REDACTED]
[REDACTED] I feel this building would need to be sound proofed.

Yours faithfully

[REDACTED]
