Muir Rythe Holiday Village

Dear Sir,

I would like to object to the
siting of 204 holiday caravans,
outdoor theatre, multi-games court
and splash and dry areas.

① Safety and Traffic - Safety of
residential property, - entrance
next to existing school entrance
(holiday village entrance used
by parents to park in, to drop off
children.)

② Privacy and Outlook - Back
Garden Privacy will be

affected, also car parking, you are unable in Kings Road to drive into your own drive now the yellow lines are outside the school with parents parking across driveways!!

③ Noise, loss of open space and Natural habitats, when the "Open Theatre" is in use with revelry (unrestrained merry-making) it will affect residents!!

There are many caravan parks on this beautiful island, please no more.

Yours - Sincerely
(Mrs) Thelma Richards.
