Dear Mrs Harward,

I am writing to object to the planning application for 26 Scratchface Lane, (see enclosed details) I am disturbed by the possibility of consideration of these plans going ahead. Surely this is not a suitable place for this business. The houses backing on to this bungalow and garden involved have families with young children living there. How can something like this be allowed, don't we care anymore about children & family life. Imagine yourself in those gardens on a nice day!!

Yours sincerely

ME + MRP C.A. JACOB

Dear Neighbours, I wish to bring to your attention of the development plans for no 26 Scratchface Lane.

The new owners wish to change the use of the building at the rear of the property from general industrial manufacture of fibre glass boats to **storage of concrete cutting equipment with associated collection and delivery traffic.**

Anyone who wishes for more information please visit www.havant.gov.uk using 'search and view planning applications' or alternatively visit the customer service centre at Public service plaza, civic centre road, Havant, P09 2AX between 9-5pm.

The highway agency have concerns about large delivery trucks and the frequency of deliveries, limited turning circle and the impact on the amenity of the neighbourhood and the limited storage for vehicles and materials.

It is expected that the company will have 10-11 employees (where they going to park?)

There is morning/evening and weekend work planned including early morning and weekend deliveries.

Plan for 5-10 vans being stored overnight and equipment to be moved regularly. Work will be carried out in the back which is near adjacent houses.

Scratchface Lane is a public footpath, busy road already children (near park, school route), elderly, dog walkers, it will potentially devalue house prices, create noise pollution because there is no noise insulation, increase emissions and fumes from the property.

Plus many more reasons.... Each of us have different reasons for or against it.

The deadline for appeals is the 9/11/16, you can do this online through the website or writing to Mrs D Havward. Public service plaza. civic centre road. Havant. P09 2AX
