Dear Sirs, Your Ref. APP/17/00401

With ref. your letters dated  
26 April & 25 May, I have already  
retelephoned you twice leaving  
REC. messages.

I've been living in this bungalow  
for the last 25 years

My husband  
Alan (a local govt. officer) and I  
were delighted to find this property  
— in fact, he said we should have  
moved here "years ago"!

The garden here is now very  
important to me, as I'm sure  
you will appreciate. I have no  
trouble at all going around it  
every day, in all weathers, [redacted]  
[redacted] which is really

my life!

I have all the help I need  
(every time I need it!) and have  
no wish to move again now.

Needless to add, finally, I am  
concerned about any building  
being erected adjoining my  
fence.

Hoping to hear from  
you further.

Yours sincerely,

[redacted]  
[redacted] JEAN BLAKE (MRS.)
