Dear Sir

I am writing
in favour of a Lidl store
being built on the
Island.

I do most of my
shopping there, & also
feel it will reduce
traffic, on the Island,
for too many houses
with one road, a
bridge built at ferry,
should have been done
years ago, taking off
half of traffic which
many times is a lot
of problems, to Portsmouth

now with so many
more houses, we need
a store, like Lidl,
it should not be a
problem to shops as
people have their own
shops on island which
they prefer.
I see many islanders
in Lidl, when I shop.

Yours Sincerely
