Dear Mr Owen.

Applica. No: APP/17/00656 - LIDL's.

We are writing to support Lidl's application to build a new store on Hayling Island.

With Lidl's Keen pricing structure more Hayling Residents will be persuaded to shop on the Island thereby reducing the amount of traffic using the Road ON/OFF the Island.

Furthermore, local people will obtain employment in the Store + Havant will benefit from the Rateable income from Lidl's.

MR. E. KING
