Good afternoon

Please can you confirm the total floor space of both units, I have approximately 180sqm.

Kind regards Rob

CAUTION: This email came from outside of the council - only open links and attachments that you're expecting.

Good morning Robert,

I hope you are having a pleasant Friday. In regards to The Old Flour Mill, APP/25/00411, please do change the description for this application to E, thank you for spotting this. We currently do not have access to the unit since the landlord is away, but we do work in the same building so upon his return we will send images of the door over. This should be in the next week or so.

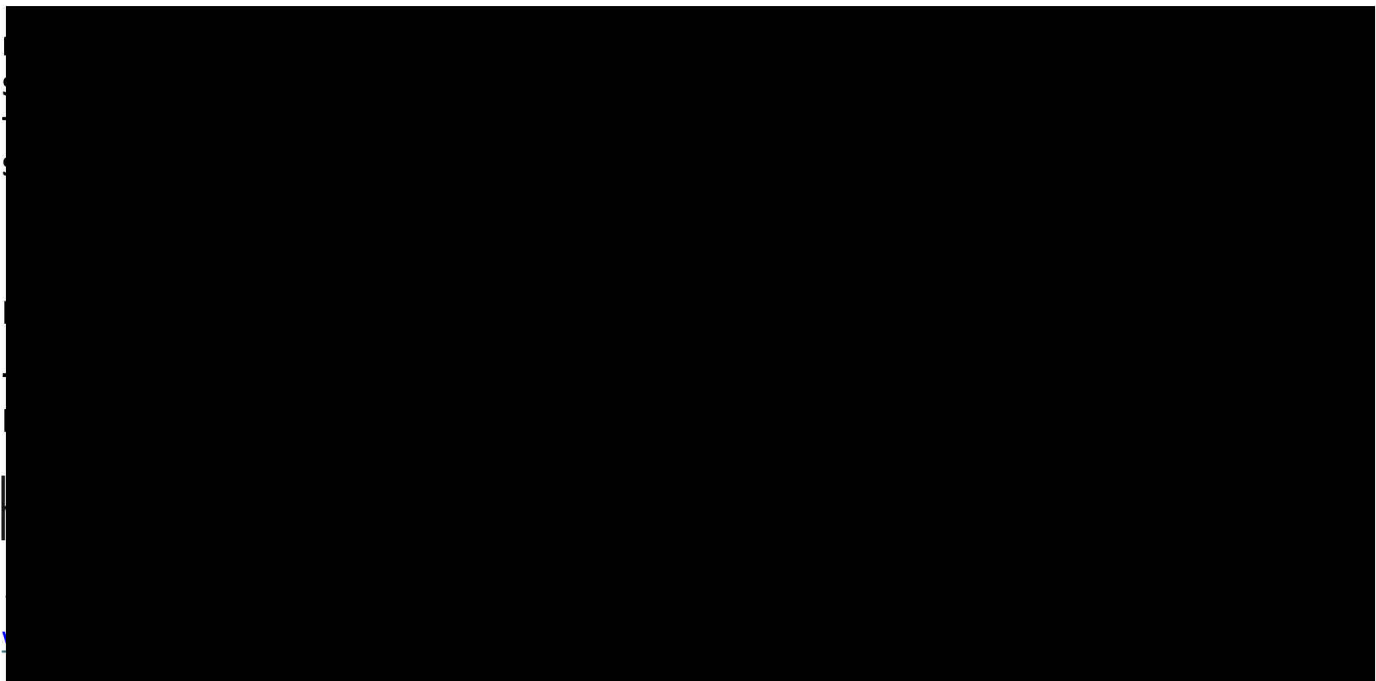

Area of new unit = 64.26 metres squared

If there is anything else you require I would be happy to assist.

Regards

Good afternoon

I note your description for this application mentions a use class that no longer exists I believe it should be E instead. Please may we change the description to reference E instead which will require readvertising and publicity.

Alteration of internal layout by adding fire doors to one of the units (Unit 3a (Use Class B1)) ,
creating a new unit (Use Class B1) from this partition.

Please could you also take photos of the doors, and the area of the new unit.

Best regards Rob
