Havant Borough Council
Havant

Dear Sirs,

Regarding the above planning application I object to the development shown as it is out of character with the surrounding residential housing and will have a severe impact on the adjoining road. The proposed development is not appropriate for the area.

There is a need for additional housing in this area but flats have not been sold that are already built and a different development is needed. There is a pressing need for single storey accommodation for elderly owners who now wish to move to smaller houses and which will relieve the pressure for 2- 3 bedroomed houses, but they are not moving to the existing flats available.

I do hope this application will be declined in favour of a more suitable and needed development.

Thank you for giving me the opportunity to express my views

Yours Faithfully
