Reference: Proposed application APP/16/00568

Dear Jack Caine,

Further to my previous letter dated 10th May 2016, I am writing to express my remaining concerns regarding the intended height of the proposed development and the fact that it will obscure my business premises.

As previously stated I do not object to the proposal entirely just fear that the current plans would effectively "box" me in and therefore be detrimental to my business.

Yours Sincerely

Neil Atern

Director
