Dear Sivar Nadam,

Your Ref: APP/24/00702.

I am writing in response to your letter dated 25th September concerning planning permission for a building application by the owners of 10, The Strand.

I do not live next to this house but I do have to drive & manoeuvre near to the house in question. Apart from disruption whilst the building is done. The result will reduce the parking in a small area. Make even smaller by the loss of the garage & approach of No. 10. This will leave 6 spaces for 6 houses.

the Applicant has two cars.
I am sure that you will receive similar observations.
Yours faithfully,
