I would like to oppose the proposed building for a four bed house at the back Eastview as living at the top of the cul-de-sac we feel the full force of the traffic from the main Manor Road.

Another concern we have is that the cul-de-sac is already used as an overspill for cars from visitors and tradespersons who are visiting homeowners on the main road. If the proposed building should go ahead, this will exacerbate an already bad situation. Other considerations would be that of more pollution, noise and disruption something our family would rather not have.

Yours Sincerely

Mr and Mrs Maloney
