Re: GREY HAVENS, EMSWORTH – App: APP/18/00448

The site is an existing dwelling with proposal to demolish the existing and construct a replacement 3 bed dwelling.

Condition 4 of the application refers to the full specification of the balcony materials please see below details of balcony glazing and framing post and rails:

Pilkington OptiView

Austenitic Stainless Steel 316 Framing

Pilkington OptiView is a non-reflective glazing and Austenitic Stainless Steel 316 is suitable for use in a marine environment therefore being suited to the use for the proposed dwelling.
