Your query or comment: I would like to register my objection to the proposal by Costa Coffee to open a coffee shop in Emsworth. If it goes ahead I believe that it would threaten the character of the town which prides itself on being made up of a large number of independent retailers. There are a very small number of 'chains' and I believe that the current balance needs to be maintained to preserve the appeal of this pretty town to residents and visitors alike. I note that Alan Mak (MP) has suggested that we write to you to register concerns and I am responding to his letter to constituents in doing so.
