Dear Sir/Madam

Your Ref: APP/17/00659 (As Amended)

Thank you for your letter dated 18th July 2017 in reply to my letter dated 13th July 2017.

Although you do not specifically answer my question I am assuming planning permission is, needed to enlarge the garage to the front. If this is the case as stated in my previous letter I wish consideration to be taken into account of the extended garage wall of approximately 165cms. being only 117cms. away from my bedroom window. This brick wall will considerably reduce my light and I am against this proposed extension because of that and the detrimental effect it will have on my property.

Yours faithfully

Pauline Leighton
