for attention of Mrs. H. Lealan.

Dear Mrs Lealan.

I state again that
I have no objection to the
erection of 1. Bedroom bungalow
at 35. Blackthorn Drive, Hayling Island
as stated on both previous occasions.

But I am most concerned
that my privacy will be removed
if the south boundary Hawthorne
trees are taken down.

I understand that the latest
plan submitted shows two
windows on the south side of
dwelling.
