Dear Sirs

Ref; Planning Application No APP/16/01234

I write to object to the above on the grounds that the site lies within an area designated an undeveloped area also HBC stated in their Allocation Plan of July 2014 that there was no need for more permanent gypsy and traveller sites in our Borough up to 2027.

May I comment that Long Copse Lane has ribbon residential development dating back more than 100 years.

The pleasant rural ambience of the lane has recently accommodated 240 houses to the South East and 46 near to its junction with Hollybank Lane which has added much more leisure activity in the lane, I do hope that may long do so.

I hope that HBC will arrive at its usual fair conclusions as to the future of the site,

Yours Faithfully

A C Reeves
