Dear Mr Mitchell,

I wish to say in response to
your letter that I continue to support the
proposal for a food store on Hayling Island
namely in Manor Road.

Before moving here at the end of
March 2016 - I regularly used the Bordon
and Jarman stores, being very satisfied
by the cleanliness, presentation & value
of the goods, the courteousness of the
staff also. I have also used the
Havant store but it would be wonderful
to have one nearer.

Yours sincerely
