

I've put up the site notice (18 August) – it is on the last sign by the Asda roundabout as close to the site as I can get and still be on the public footpath so hope that is suitable. The footpath stops after that so would be dangerous for anyone to try to read it after that point.

Complete and return this slip and a photograph of the notice with the reference number and the date notice displayed on site to [planning.development@havant](mailto:planning.development@havant.gov.uk) with an approximate description of the posting location.

I have today displayed the site notice in a prominent position on/near the proposal site (photo attached)

Attached to post at end of public footpath as there is no footpath outside the site

[please give an approximate description ie lamppost in front of 26 H
