Dear Madam

With reference to the
proposed development of
186 Seafront PO11 9HT
which I strongly object to
the reasons being, this
development will overlook my
property, my living area, take
away my privacy.

Although there are parking
restrictions in summer, no-one
takes any notice of them & I
constantly have cars parked outside
my driveway blocking my access
I feel this is an over development
in such a small area & the fact
I shall be constantly overlooked
is abhorrent to me

Yours faithfully
