Dear Sir,

Re: PROPOSAL LIDL FOOD STORE HAYLING IS.

I have been a Hayling resident since 1989.
I am fully convinced that a Lidl store in Hayling
can only improve the community. We travel off the
Island to Aldi at Havant (previously a local
Tesco shopper but found obscure price increases and
lack of preferred products altered our shopping habits).
The local Co-op has two main stores at Wrentham and
again does not provide an enjoyable shopping experience.

We need a comprehensive shopping outlet on
Hayling designed to serve the local community.

Yours sincerely
