Dear Sirs,

Planning Application:
APP/16/01234 Stables East of Holly Bank Cottage Long Copse Lane Emsworth

As owners of a flat at Long Copse Lane we strongly dispute the above application for the stables at Long Copse Lane.

We have already had to endure their unlawful occupation of the land for several months now and no action has been taken to evict them.

We can only please appeal to your better judgement to NOT allow this application for the gypsy site to be made permanent.

Yours faithfully,

Elaine Foster (Owner)
10 Long Copse
