Please provide the following information below : tree species (and the number used on the sketch plan) and description of works. Where trees are protected by a TPO you must also provide reasons for the work and, where trees are being felled, please give your proposals for planting replacement trees (including quantity, species, position and size) or reasons for not wanting to replant.
E.g. Oak (T3) - fell because of excessive shading and low amenity value. Replant with 1 standard ash in the same place.

A very large oak standing in the centre of the rear garden at Avalon Court (retirement scheme), needs to be reduced. The gardener has advised that 2 metres to the whole perimeter of the crown is taken off.
