Dolphin Quay, Queen Street, Emsworth

OBJECTION

Dear Rachael McMurray

I have learnt from SMPPA and Architect, Jim Garland, that an offer was made for Dolphin Quay Boatyard by the charity 'link.org' set up by my admirable neighbours at Quay House Emsworth, John and Hilary Pritchard. The charity's aim is to specifically help young people in Emsworth and surrounding area to learn boatbuilding skills. This seems to me to be a far better use of the site, which is so prone to flooding, than the current proposal.

I therefore request that the current development proposal be put on hold whilst the offer and proposal by link.org is fully considered.

Yours sincerely

Lesley Harris
