

Single Story Development of 21 Rowan Avenue Waterlooville PO8 8AZ
Ref: APP/21/00326

I have no problems with the proposed development of 21 Rowan Avenue, however, I noticed on the rear extension plans, that the existing garage is to be demolished.

The existing garage is attached to the garage of 19 Rowan Avenue, with a common roof, and party wall. After removal of the roof and outer wall of the garage of 21 Rowan Avenue the party wall, and roof, to 19 Rowan Avenue, will need to be made good, and waterproof.
