Dear Sir or madam

I With Ref. to over leaf, we feel there is no real need for any more old people blocks of flats we live Right opposite, where the new block is going, I can tell you now, it takes a good 10 min to get at in the morning as there is so much traffic which starts to go by 7am. So it will be worse if these flats go up, also not too far from here there is a block of old people flats, which is 1/2 empty, and all over the Island is the same way.

We don't need any more old people flats, or shops there more shops closed than open so please no more flats and empty shops

also we are not a main drainage, we have borrow to empty the canals 3x a year.

Yours
