Further to my letter of OBJECTION dated 14th July 2017 to the variation of Condition No.3 of Planning Permission 95/59718 I am sending this email today, as I understand that the deadline is now tomorrow, 18th October 2017. I do not appear to have received any letters from Havant Borough Council advising me of the extended deadline and the reason for this.

The Planning Department appears to have unilaterally suggested to the Applicant that the original Application for two Parent and Toddler mornings be amended to request permission to hold just one such event in any period of twelve months.
I wish to place on record my OBJECTION to this Amendment for the reasons stated in my earlier letter.

Consent to this proposal would override the existing conditions

decided by the Planning Inspectorate ref: 95/59718
(1) Outside children's play shall not take place outside the hours of 10.00-12.00 and 13.15-15.15 Monday to Friday and shall only take place within the area marked "Children's Play Area" cross hatched on the plans approved by Havant Borough Council under reference 95/59718.
(2) The number of children participating in outside play at any one time shall not exceed 20, unless otherwise agreed in writing by the Local Planning authority.

In reaching the above decision the Planning Inspectorate took evidence from both the representative of the Nursery School and the local residents. I respectfully request that the Planning Inspectorate's decision is not overridden by consent for weekend events at the nursery school.

[redacted]he premises of the Children's Learning Centre and is subject to the noise of children playing outdoors during the permitted hours Monday to Friday. We have had to live with this daily disruption. We feel that should permission be granted for the proposed weekend event it would be an additional encroachment on the enjoyment of our rear garden. We consider that this proposal would be detrimental to the amenities of this and other residential properties in the vicinity of the Children's Learning Centre and, respectfully request that Havant Borough Council REFUSE this application.

I look forward to your reply in due course.
