Dear Sir/Madame

Further to the letter dated the 6th Dec regarding the adjacent property 30 Fir Copse Rd and the owner's application for retrospective planning permission for their ancillary accommodation, we would like you consider our objection.

Though my husband and I have nothing against the neighbour useing the garage

as accommodation, and have not complained ~~and~~ about such use, we feel the wood burning stove and chimney recently installed to be unacceptable.

We do not wish to be on the receiving end of the smoke and pollution from the flue, [redacted] The enjoyment of our garden is blighted by the smoke that issues from the flues chimney. Therefore, we respectively ask that it be removed

Kind Regard

Mrs Marilyn Harvey
