3rd Febtuary 2022

Dear Sir,

Application No: APP/21/01310. Change of Use, Tournerbury Woods

Thank you for your letter dated 11th January 2022 notifying us of the further developments in the above mentioned planning application.

We standby our original comments supporting this application. This family business is good for the island bringing business to the village and to hotels and B&Bs on the island. We note the number of events to be held is greatly reduced and most of the time will be devoted to conserving and preserving Tournerbury Woods for the future.

We strongly support this application.

Yours faithfully,
