Dear Mr Toole

Re APP/21/00270 52 MAISEMORE GARDENS, EMSWORTH, PO10 7JX

we are pleased to convey our feelings of having no objections to the alterations as proposed in the above numbered Planning Application.

The new owners of number 52 Maisemore Gardens have been both friendly and considerate in advising us at an early stage of their plans, and their desire to have no adverse impact on our own environment as regards both the house and the garden.

We look forward to seeing a successful completion of this impressive project.
