Dear Jennie,

Following on from the email chain below our clients have now come back to me.
To clarify the render will either be white or light grey.

In terms of the cladding can we please request that this item is conditioned. As you have alluded to, this will allow our clients to explore the options available including cost and colours.

I trust this is acceptable, we look forward to receiving planning approval at your earliest convenience.

Thanks - should you have any queries then please do not hesitate to contact me.

Regards,

Jimmy Bessant
